Dear Ron,

As President and CEO of the Jr. Economic Club of Canada (Jr. EC), I am pleased to write this letter as confirmation of the Jr. EC's support of the Joint Statement on Physical Punishment of Children and Youth.

One of the goals of our work here at the Jr. EC, is to ensure that all young Canadians are able to pursue a prosperous and healthy future –This belief is in-line with the spirit of the Joint Statement spearheaded by CHEO. We are proud to join the long list of notable Canadian organizations that have already declared their support.

I wish you all the best in your continued work to bring national attention to this important issue.

Sincerely,

**Rhiannon Traill**
